# ANCHOR FUND INITIATIVES

## 01 EVERY TRIBE AND NATION

Support Bp. Andudu as he provides pastoral care, episcopal ministry, and leadership development for non-English-speaking congregations throughout the diocese.

## ANTIOCH FUND 02

Support the recruitment of non-white leaders into the diocese. We will provide Anglican pastoral training, then send these leaders into the diocese for church planting and other ministry.

## 03 NEXT GEN. DISCIPLESHIP & LEADERSHIP

Support the development of discipleship models and resources to transform children, youth, and young adult ministries into vibrant sources of leadership for the church and in the culture.

## CHURCH PLANTER RESOURCES & TRAINING 04

Support the development of more effective resources and training for church planters and their teams to better-equip them to plant dynamic, lasting churches.

## 05 SUSTAINING THE MISSION

Help us sustain our church planting mission and other ministries for the future by funding further staff resources.
