Building Capacity for Kingdom Mission

About the Anchor Fund

The Anchor Fund is the Diocese of Christ Our Hope's yearly effort to build capacity for kingdom mission. This year we have identified five key ways to expand our mission and ministry:

Every Tribe and Nation

Antioch Fund

Next Generation Discipleship & Leadership

Church Planter Development

Sustaining the Mission

Every Tribe and Nation

The Nations Have Come to DCH

Support Bp. Andudu as he provides episcopal ministry and leadership development for non-English-speaking congregations in the diocese. He currently serves four congregations and is helping plant two more.

Antioch Fund

Representing the True Kingdom

Support the recruitment of non-white leaders into the diocese. We will provide Anglican pastoral training, then send these leaders into the diocese for church planting and other ministry.

Raising Up the Next Generation

Support the development of discipleship models and resources to transform children, youth, and young adult ministries into vibrant sources of leadership for the church and in the culture.

Next Generation Leadership

Church Planting Initiative

Plant, Equip, Multiply

Support the development of more effective resources and training for church planters and their teams to better-equip them to plant dynamic, lasting churches.

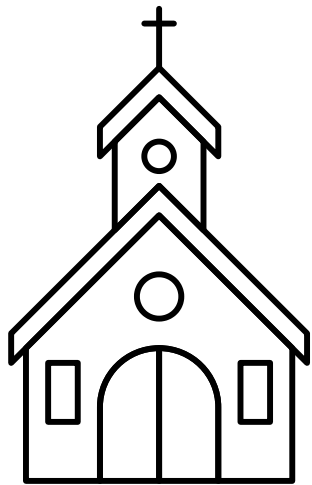

General Operations

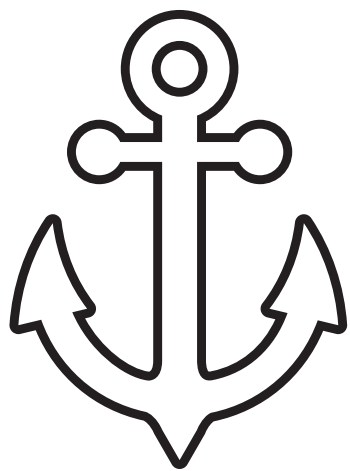

Growing Deep

Help us sustain our church planting mission and other ministries for the future by funding further staff resources and day-to-day operations

To a specific initiative
that aligns with your
passions and
priorities

To the Anchor Fund
general fund and
the diocese will
determine the best
use of your gift

How Does the Anchor Fund Work?

Supporting your
passions and priorities

What We Need

\$

116,130

**Left to raise
for 2021**

Partner with us

**EACH ADULT
GIVES A
ONE-TIME
GIFT OF \$50
OR MORE**

**EACH TEEN
GIVES A
ONE-TIME
GIFT OF \$25
OR MORE**

**Above and beyond usual
tithing to the local church.**
